

Bandit Gets \$400 At Local Pharmacy

Doctoroff's pharmacy at 1062 Massachusetts Avenue was held up early last Thursday morning by a short stocky bandit who disappeared as fast as he appeared after robbing Samuel Doctoroff of some \$400 in small bills.

Mr. Doctoroff told the PRESS, the bandit came into the store at about 9:15 a. m. shortly after the store opened. Doctoroff said he went right into a telephone booth while he was waiting on his morning customers.

At about 9:20, Doctoroff went to the back of his store to put his money into the register. He had two bags containing about \$250 in American express checks and another with some \$150 in store money.

The man stepped out of the booth and over to the counter where he ordered Doctoroff to "get back and keep your mouth shut this is a stick-up."

Mr. Doctoroff complied with the order for the man had his left hand in his pocket apparently concealing a weapon.

The bandit then ripped open the two money bags and took the money from them. He left checks and papers which the bags also contained.

The bandit, described as five feet seven inches tall, heavy set, rough skin, was wearing a light tan sport shirt, dark blue tie, dark grey pants and black hair, calmly walked from the store and disappeared.

Associates To Hear Candidates

Edward Sennott, president of the Menotomy Associates, announced today, Candidates Night would be held Thursday, August 10 at 8 P.M. in the Robbins Memorial Library Hall. The Associates feel privileged to have the services of Ernest L. Davis of Chapman Road as moderator of this meeting. Mr. Davis retired last year as town moderator, after many years of devoted service to Arlington.

Letters have gone out to the candidates concerned offering each a minimum of 5 minutes and a maximum of 10 minutes depending on the number of people they contribute to the audience.

This is the first public rally to be held by a non-partisan group in Arlington for many years. Its success depends upon the interest the public will show in hearing these men whose names will be on the ballot in the September primaries.

Civilian Defense Head To Be Named

The civilian defense bill, approved last week by the State Legislature will be authorized within the next few days by Governor Paul A. Dever, according to John F. Stokes, commissioner of Civilian Defense for the State of Massachusetts.

Stokes announced this at a hearing held Monday morning in which officials from cities and towns throughout the State participated.

Frank Nicksay, Secretary to the board of Selectmen and Chief Archie Bullock of the Police Department attended, representing Arlington.

Harrington Seeks 25th GOP Support

William P. Harrington, latest aspirant for a Republican nomination to the Massachusetts House of Representatives, has announced his candidacy from the 25th Middlesex District, including Wards 6 and 7.

William P. Harrington in Somerville and Precincts 1, 3, and 5 in Arlington.

Mr. Harrington has expressed his intention of campaigning on a Real Republican platform. He has pledged himself to represent his constituents on Beacon Hill through diligent attendance at all sessions of the State legislature and serious study of the problems from a vigorous Republican point of view.

"I have taken serious note of the fact that three Democrats have filed papers as candidates in this District. This the first time, to my knowledge, that this has happened here. These Democrats are erroneously presuming that the door is open on the basis of the 1948 election results."

"I am positive that the Republican voters of this District, who will vote in the Republican primaries next month, want, as a result, two Republican nominees. The Republicans in this District are strong, and the sooner these Democrats find it out, the better. I want the Republican voters to slam the door in their faces."

Mr. Harrington, a World War II Navy veteran, has been very active in Republican Party organization. At the present time he is President of the Massachusetts State Republican '21' Club and organized '21' Club units. In 1948 he was a member of the Massachusetts delegation to the Republican National Convention.

Mr. Harrington, a graduate of the Boston University College of Business Administration, is presently engaged in the insurance business.

Keenan Says Hearing Due On Route 60

Representative Henry E. Keenan announced this week that a hearing will be called regarding the proposed relocation of route 60 to eliminate through traffic in Arlington center.

A survey will be made and the hearing held for late September. Mr. Keenan also stated that the Concord Turnpike is zoned to prevent speeding from the Alewife Brook Parkway to Concord. Warning signs are being erected and enforcement will begin immediately.

The local Representative added that the legislature has passed a bill calling for an engineering study of alleged unsanitary weed conditions and pollution at Spy Pond, Little Spy pond and the Alewife brook. The study will be conducted by the engineering department of the M. D. C. and the department of Public Health.

Chief Warns of Headlight Clare Danger

"More people are killed in motor vehicle accidents happening at night than during the day-time," stated Chief of Police Archie F. Bullock of Arlington today regarding the illegal use of high beam headlights.

"Motorists must realize the serious danger of glaring headlights. Register of Motor Vehicles, Rudolph F. King, has appealed to all Police Chiefs of every community in the Commonwealth to begin an immediate check on this night hazard, and police officers of the Arlington department are going to cooperate with the Registrar and members of his department," said Chief Bullock.

In his message to the Chiefs, Registrar King pointed out that modern sealed beam headlights were developed to help correct night driving hazards and that when properly aimed they will produce a strong and better driving light but one that is dangerously glaring when thrown into the eyes of approaching drivers.

The law provides that operators of motor vehicles must tilt their lights to the low beam when approaching within 500 feet of an oncoming vehicle or when driving on well lighted highways.

"Massachusetts motorists must comply with this regulation while driving in the nighttime. Education in the proper use of sealed beam lamps has been emphasized for several past years and there is no excuse for failure to comply with the law," concluded Registrar King and Chief Bullock.

Seeks District Attorney Office

John F. Finnerly

John F. Finnerly, Newton Attorney with law offices in Boston, has filed papers for the Democratic nomination to the office of District Attorney of Middlesex County. Mr. Finnerly, a veteran of World War I and a graduate of Boston College Law School, is a member of the Executive Committee of the Middlesex County Young Democrats' Club and a well-known debater on civic issues.

Playground Winds Up Season Wed.

Arlington will conclude its summer playground program with a huge parade and gala jamboree on next Wednesday, August 9. Twelve playground divisions will march from the Robbins Library in Arlington center to Spy Pond Field. Decorated doll carriages, bicycles, scooters, carts, and representative playground floats as well as gaily costumed children promise an extremely colorful line of march. Music will be provided by the Academy of Music Band and S. James' Drum and Bugle Corps.

At Spy Pond Field there will be a series of contests with massed entries from all playgrounds: Doll Carriage Parade; Freckle, Umbrella, and Stuffed Animal Contests; Costume Show, and the judging of time boys' and girls' field events will be held, including a 40-yard dash, 3-legged and sack races, rope jumping, a wheelbarrow race, and relays.

President John Wamaker has announced to the Arlington Park Commission that the Chamber of Commerce will provide many excellent prizes for the winners of the contests and field events, and free ice cream for all the children who participate in the field events, contests, or parade.

The time schedule of the Jamboree is as follows:

2:30-4:45 Boys' and Girls' Field Events at Spy Pond Field

1:30-2:30 Parade from Robbins Library to Spy Pond Field

Arlington To Provide About One Third Of Second Call

The Arlington draft board announced this week that 69 more men will receive notice to report for physical examination by August 18th. This call is a supplementary call to the first call which sent 14 men from Arlington to the induction center Tuesday for their physical examinations.

The 69 men who are to report on August 18th represent a total from the Belmont, Watertown and Arlington area. Specific figures are not available as to how many of this figure are Arlington residents. It is reported that about one third or 33 would be a fair estimate as to the number of Arlingtonians involved.

Draft Board officials said Wednesday that after they receive notice from the induction center, relative to the physical condition of the first group examined they will then notify the men in the 1A group to report for induction into the military service. They will be allowed twenty-one days from the date of receipt of induction notice to finish up their business and report for duty.

A member of the Board said that this new draft of men would definitely use up all of the men in the 23 to 25 year bracket, and the next call would take the men in the 21 and 22 year bracket who are classified as 1A. Questionnaires are now being sent to men in the latter class.

Summer Institute Closes August 4th

The Arlington Summer Institute will bring its activities to a close on August 3rd and 4th with the Theatre Group presentation of two delightful comedies at the Junior High East Auditorium. Almost entirely different casts will participate in "I'll Leave It To You" by Noel Coward, and "Sixteen in August" by Dorothy Bennett and Link Hannah. Between the acts Mr. Leo Litwin's creative music group will perform. Exhibits from the Crafts and Arts Group will be on display. The Institute is a cooperative effort of the Arlington Youth Council, Park, Dept., Boy's Club and School Guidance Dept., offering tuition-free instruction in music, creative writing, dramatics, and arts and crafts, from June 28th to August 4th. The Boy's Club has sponsored a Day Camp Program including several trips out of town.

The music activities have been conducted by Mr. Leo Litwin and Mr. Frank Ward, with Mrs. Hector MacNeil as coordinator. The Summer Theatre has been under the supervision of Ms. True Hardy Boothby and Mrs. Virginia Cyr, with Mrs. Amad, Alonso and Mrs. Walter S. Coolidge as coordinators, the Arts and Crafts under the supervision of Ralph Gioiosa, with Daniel McFadden as coordinator; Creative Arts under Raymond Goodlatte from the English Dept. of Harvard University, Leo Litwin from the Mount Ida Junior College and the Boston Symphony Pops Orchestra; and Joseph Coletta from the Art Department of the High School Faculty.

So far as is known this is the first community venture of his kind anywhere in the United States, and Mr. Bert Roens of the Guidance Dept. has received inquiries concerning the Institute from Youth organizations as distant as Columbus, Ohio, and Madison, Wisconsin.

TIGERS WIN SECOND HALF

The AYA Tigers cinched first place in the Senior League's second half race, Monday night, when they defeated the Browns, 18-0. Higgins pitched a one-hitter for the Tigers and belted a home run and two doubles just to insure his win.

The Tigers, who can best be remembered for their win of the first half series, will meet the Red Sox, first half winners, in a two-out of three series on August 14th. The winner of these games will be the 1950 champions of the Senior League.

Final plans for the playoffs of the Senior league will be announced next week along with the names of the All Star Team and the games they will play. Trophy winners will also be released at this time as well as plans for the AYA Continued On Page 2

Form Junior Press Club In Winchester

A very patriotic and spirited trio of Winchester boys has formed a new club right under the noses of the Winchester residents without their even knowing about it. The Junior Press Club is a significant step forward in the furtherance of the creed of the United Nations, which is so important to the men and women of tomorrow. The friendships which are formed by our American young people with the youngsters of foreign countries determine the future world peace. William Callahan, 13, of 20 Kendall street is the president of the club; Ralph Paonessa, 13, of 330 Washington street is secretary; and Peter Murphy, who lives at 26 Lloyd street is the treasurer. These boys are all entering their freshman year at Winchester High School.

Their communication with young people in other lands began with Peter, who had had pen pals in France, England, and South Africa. Peter has been clipping out interesting pictures and articles out of the papers and magazines for a long time. He has a scrapbook full of them, and when he thinks one of these clippings will interest a foreign pal, he sends it along. Bill and Ralph also had this hobby, so the three got together and shared their scrapbooks.

Then the boys met Mrs. Mary Maher Girty of 24 Central street, who after seeing these wonderful scrapbooks, decided that something should be done about it. She had just come to Winchester from Richmond, Indiana where she had sponsored junior newspapers. In the first World War she aided a group of young people who adopted families in Belgium and France. She took the boys into Boston to the International Friendship League on Mt. Vernon street, and there out of 200,000 letters which had been written to America by foreign children seeking pen pals, the boys selected their new friends. Now Bill Callahan writes to a boy in Ireland, and Ralph Paonessa corresponds in Italian with an Italian. Although the Club has been formed officially for only two weeks, it has already received a spread in The Boston Sunday Herald. Because Mrs. Mather is taking a trip to Fordham University, their get-togethers will be informal until she returns at the end of August. However, all the young people of Winchester are cordially invited to join, and to share the fun that these boys have been having. There are thousands of letters from foreign children waiting at the International Friendship League to be answered. Intriguing plain envelopes

from Scotland and flowered ones from Switzerland are ready for some young American to open them. Some of these youngsters have even sent gifts for their future pen pals. So, here is a grand opportunity to adopt a fascinating hobby and a new friend as well. You may exchange views and customs with someone in a far-off land. Why not start pasting scrapbook today if you are interested, and if you want further information, just call one of the three founders of the Junior Press Club.

Each new member of the International Friendship League will receive a pretty map on which he can designate with a pin the location of each of his pen pals. The Winchester club is planning also to make several tours of such historic spots as the Paul Revere House and the State House, so that the members will be better able to describe them in their letters. summed up their club purpose: "To

Peter, Ralph, and William have appreciated the present by understanding the past and preparing for the future."

Ralph Paonessa, the secretary, has written this short summary explaining why he is a member of the Junior Press Club: "Since peace comes from understanding, our Press Club wanted to work for peace by writing letters to other boys in other countries so we could understand what they were doing."

Just like our country was formed by different states cooperating and forming the United States, so that we thought as we school boys would cooperate in understanding other school boys in other countries, that might help the United Nations in the men and women of tomorrow uniting for better understanding for justice and world peace.

Since the first American newspaper was the Boston Newsletter, and was made up of telling foreign news, we boys thought we could make a sort of newspaper of our own by collecting letters and pasting them in a scrapbook at the present time. We also have been making little tours to historical places and important buildings so we could understand our own country better and then tell others about it."

Mr. and Mrs. Francis Kenney of 7 Cottage avenue announce the birth of a daughter, Colleen, at the Cambridge City Hospital on June 7. Mrs. Kenney is the former Barbara Blanchard.

Visions and animal friends you meet and the fun you have on vacation are long remembered through photographs like this Speed Graphic photo of Ted and Joe by Louis A. Banks.

MAKE VACATION PICTURES TELL A STORY

Photographs are the best possible way to keep happy vacation memories alive. When winter comes, and for years afterward, you will be able to relive this summer's fun by browsing through your album. But stay away from the conventional postcard pictures of local scenes. You can buy these wonderful color photographs so inexpensively that there is no sense wasting time and film trying to duplicate them. Concentrate your photography on the story of your vacation and the people who made it fun.

Instead of the usual long shot of a hotel with a window marked "our room," why not try a picture from inside of a friend looking out the window, to show the wonderful view you had? Instead of having to explain that "the swimming pool was around back here just out of the picture," make a shot of Johnny on the diving board about to plunge in.

Mr. and Mrs. Arnold Arthur Ashley of 41 Lebanon street announce the birth of a daughter, Adrienne, on July 13, at the Winchester Hospital. Mrs. Ashley is the former Ruth Rink.

Mr. and Mrs. Harry N. Squires, Jr., of 60 Yale street, Winchester.

Miss Hussey is a graduate of the Chandler School and Simmons College. Mr. Squires was graduated from Harvard College and is presently attending Tufts Medical School. They will be married August 19.

banquet which will be held in the fall.

The game of the week, according to our experts, will be the Tigers versus the Yankees at Reservoir field on Monday night.

Senior League

The Red Sox were successful in their drive to the first half flag as they eliminated the Dodgers 6 to 0 at Spy Pond last Saturday. The game was quite a pitchers duel as Martens and Dolan were at their best. The Dodgers were suffering a severe case of the jitters and handed the Sox 6 unearned runs on a platter with 6 errors. A wild throw gave the Sox 2, a double by Doyle and a single by Beecy. Most of the batters went down via the strike-opt route as Martens whiffed 10 and Dolan 13. The Sox who are out of the second half now wait to see if the Tigers, Yank or Dodgers will be their opponents in the final Championship series.

The AYA Coaches and Players went to thank Rab Hurd and Gordon Wier for donating their services as umpires for the game.

The Senior League Coaches will announce their All-Star Team at the end of the season. Watch the special announcement in this paper August (10th?) Attempts are being made to arrange a game or 2 with other local or out of town teams.

The summary is as follows:

Team	W	L	T	Pts
Tigers	6	0	0	12
Yankees	4	2	0	8
Dodgers	3	2	1	7
Cardinals	2	2	2	6
Pirates	3	3	0	6
Red Sox	3	3	0	6
Browns	1	5	0	2
Braves	0	5	1	1

Results Monday Night

Tigers 18 Browns 0

Pirates 2 Yankees 1

Red Sox 15 Braves 1

Dodgers 1 Cardinals 1

The Chelsea war veteran, an up-set winner two years ago, filed

Edward J. Cronin

more than 10,000 certified signatures, collected in his behalf in nearly every city & town of the Commonwealth.

Unruffled by the quantity of his primary opposition, Cronin said he was glad of the opportunity to campaign on his record, which such opposition affords.

"The early response to my candidacy has been flattering and encouraging," Secretary Cronin said in a statement, adding, "it is an indication that the service I have tried to render has been greatly appreciated by large numbers of the population."

"I plan if possible to visit every community in the Commonwealth in order to fully explain the program that has been in operation since I assumed office, a program of economic efficiency with a high standard of service to all of the people," Secretary Cronin declared.

At the present time, he is Attorney and Director of one of the large business corporations in New England.

THE BEST WAY TO WASH DISHES

By Hand or by Machine

From Maine to California women spend up to two hours every day on "the meanest job of all"—washing dishes. In 30 years of married life the dishes stack up a pile twice as high as the Empire State building, an estimated 340 tons of plates, cups, glasses, preparation dishes, pots and pans, not counting silverware. With a job of that size, efficiency saves a housewife countless steps and time.

There are almost as many ways of washing dishes as there are housewives—from splashing the dishes with hot water at one extreme to placing them in an automatic electric dishwasher at the other.

For the majority of women, the washing of dishes is a dish pan of hot water. Hotpoint home economists make these recommendations for greatest ease and speed.

First, segregate glasses, cups and saucers, and silverware. Place the garbage pail on a stool and use a rubber scraper to remove food from plates. Rinse sticky dishes and cups under the faucet. In the dish pan use a sudsy cleanser in powder or liquid form. These new products drain the water off without leaving the dishes spotted. Do not use too much soap or suds since longer rinsing will be required.

The order you wash the dishes is not too important but most women start with the glasses and silverware and wind up with the cooking utensils. This cuts down the number of water changes necessary. Rubber gloves are a big help not only in saving your hands, but also in permitting you to use hotter water than your bare hands could stand. Not only should dishes look clean when you are through, but also they should be exposed to sufficient suds to be actually clean. The dish cloth is usually more effective than a mop for washing. A brush can be helpful not only on pots and pans, but in removing adamant food matter from the dishes. When the dishes have been placed in the rinsing rack, hot water can be sprayed over them with a faucet hose attachment or poured over them with a teakettle. If you are doing a very small number of dishes, it is handier to hold them directly under the hot water faucet. Dishes should be left in the racks long enough to drain well for best results.

The above suggestions represent a brief consensus on how to cut down the time involved in dishwashing by hand but to top up to an hour and a half from the job, many women have been considering the purchase of an automatic dishwasher. Reports from several thousand owners sent to Hotpoint, largest dishwasher producer, indicate that these machines require less than one half hour daily, since women merely place the dishes in them and start the machine.

There are several types of automatic dishwashers, but the best known and the most automatic have a rack that slides out when the front is opened leaving the top of the appliance as free working surface for stacking dishes. The racks hold 60 dishes, cups, saucers, pots, pans and glasses plus silverware. These are washed, rinsed and electrically dried at

Silverware should not be left too long in the pan of heated water. A few pieces at a time should be given short soaking and then wiped off with a dish cloth.

While many detergent users let the dishes dry in the racks, glasses and silverware should be dried with a towel. A good supply of towels should be on hand for these items and for times when you want to dry all the dishes by hand to get them out of the way.

Experience shows that cleaning pots and pans encrusted with grease or food matter is the biggest time killer a woman faces. This is a tough problem to solve but best tips are to have a good scraper on hand, wash these utensils as soon after use as possible or, if you must leave them till later, put hot water in them to soak.

Also watch that food does not boil over on them while cooking.

The above suggestions represent a brief consensus on how to cut down the time involved in dishwashing by hand but to top up to an hour and a half from the job, many women have been considering the purchase of an automatic dishwasher. Reports from several thousand owners sent to Hotpoint, largest dishwasher producer, indicate that these machines require less than one half hour daily, since women merely place the dishes in them and start the machine.

There are several types of automatic dishwashers, but the best known and the most automatic have a rack that slides out when the front is opened leaving the top of the appliance as free working surface for stacking dishes. The racks hold 60 dishes, cups, saucers, pots, pans and glasses plus silverware. These are washed, rinsed and electrically dried at

the turn of a dial.

Women who use dishwashers reverse the ordinary hand routine and place the pots and pans in the dishwasher immediately after use to let the machine wash them while the family is eating. The racks are loaded with the dinnerware five to ten minutes after dessert dishes have been cleared. The appliance takes over when the dial is set and 30 minutes later the dishes are dry and can be put away. Some women leave the dishes stored overnight in the machine until ready to use them again next morning. With a large group, the appetizer and dinner dishes can be put in the machine to wash while dessert is served. This leaves only the final course dishes and coffee cups and saucers to be put in the racks before the housewife can rejoin her guests.

The preparation of pots, pans and dishware for a dishwasher is similar to preparation for hand washing which means brushing off all loose foreign matter and for greasy ones, running them under hot water.

For fine china and stemware, a good dishwasher is neither kinder nor harder than hand washing. Where the machine has heated forced air for drying, a point to watch when shopping for a dishwasher, glasses and silverware will dry spotless and sparkling.

Because good dishwashers use water at 150 degrees, which is hotter than the hands can stand, they do a more thorough washing job than can be done by hand. Before you purchase any dishwasher, you should discuss installation with your dealer or contractor. The best models all require plumbing but with the increased popularity of this modern work-saving appliance plumbers are experienced in installation.

Toastmistress Club Met With Miss Ann Mootz

Miss Ann Mootz of 29 Vernon St., Newton, was hostess to the Winchester Toastmistress Club on Tuesday evening, July 23.

Candidate For State Senate

With Senator Harris S. Richardson of Winchester, Republican President of the Massachusetts Senate, vacating his seat to run for the G. O. P. nomination for Lieutenant - Governor, Ward C. Cramer of Medford, former Alderman of that city, announced his candidacy for the Republican nomination for state senator to succeed Richardson. The district covered is known as Sixth Middlesex, and includes most of Medford, Winchester, Woburn and Arlington.

Known for his active interest in local and state government, Mr. Cramer's candidacy has the active support of many Republican elements in the district. He will wage an active campaign for the nomination and will be supported by organized groups throughout the district. Primary day is September 19. A citizen of Medford for the past

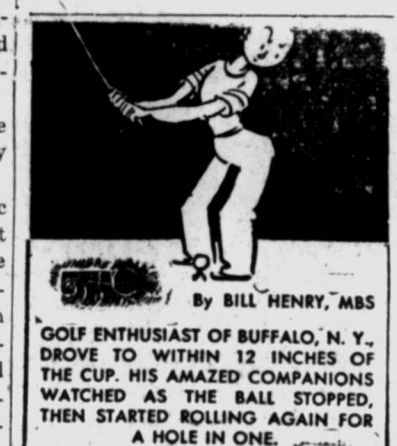

14 years, Mr. Cramer served on the Medford Board of Aldermen from 1945 to 1950. He was Chairman of the Public Works Committee of that board and member of the Finance Committee. He also served as wartime emergency fuel administrator.

His business interests involve New England distribution of dairy and milkhandling equipment.

Educated in the Melrose public schools, the Manlius School at Manlius, New York, and Syracuse University, Mr. Cramer, since taking up residence in Medford in 1936, has been active in civic undertakings. He was one of the original organizing directors of the Medford Community Chest and a director of the Medford Community Council. He was Chairman of the 1950 Heart Campaign, is secretary of the Pack Committee of the Medford Cub Scouts, Pack 8, and a member of the Hobbs Parent-Teachers association.

A member of the Medford Republican ward and city committee since 1940, he said today that his

campaign will emphasize the need of business background and experience in the conduct of state government.

Everyland Club

Met On Friday

The Everyland Club held its us-
ual pow wow at the Junior Library
on Friday afternoon at 3:00; 52
children participated in the activi-
ties planned for their entertain-
ment. Some of the boys and girls
made wigwams which were gaily
decorated with Indian designs. The
rest of the group played an Indian
guessing game on the lawn. The
council members are as follows:
Paul Blackburn, Billy Connors,
Nancy Rowe and Betty Sullivan.

The Children enjoy these activities
and take great pride in the number
of feather added to their headbands.
Twenty-six Indian Clubs mem-
bers came to the East Branch Lib-
rary Friday morning. Of these, six,
teen were new members.

Gordon Gavel, the Indian Chief,
made Indian bead rings which he
gave to the Medicine Man, Great
Indian Prince's and Council Mem-
ber. The Indian then made wig-
wams and played "My Old Indian."

Country Club Golf
Season Very Active

The Winchester Country Club
has had a busy golfing season this
year because the men and women
golfers have been taking advan-
tage of the good weather. Many
trophies have been played off, but
the most important are the John
Abbott Trophy and the Spring Cup.
The annual father-son Tournament
will take place on August 1, 2, 3,
and this is one of the biggest
events of the year. The Maurice
Brown Tournament will be played
off at the end of August. Every
Tuesday is Ladies' Day at the Club,
and each week they played in a
tournament.

Jim and Tyke Wilcox of Arling-
ton won the Championship Flight
of the John Abbott Trophy on June
30 when they played against Char-
lie Eaton and Tom Righter of Win-
chester. The Championship was the
first and most important flight of
the Trophy. The Second Flight was
played off when Vance Holden and
Dick Knight of Winchester beat
Ed Peabody and Larry Burke of
Winchester.

Van French and George Farrar
of Winchester carried off the tro-
phy for the Consolation Flight
when they defeated Gene Pacetti
of Arlington and Bill Smith of Med-
ford. The Consolation for the Sec-
ond Flight was carried off by Don
Connors and Frank Greelman of
Winchester when they won over
Jerry Govan of Belmont and Frank
Lee of Wellesley.

The Member-Guest Tournament

The Picture Book Story Hour,
held on Thursday at 3:00, was en-
joyed by 14 boys and girls and 6
adults. Mike Mulligan, Blueberry
for Sal and Little wild horse were
the stories told. The parents seem
to enjoy the stories as much as the
children, and this series of Story
Hours is proving quite worthwhile.

The Everyland Club at the Dal-
lin Branch is well under way with
seven members getting their head-
dresses at the meeting Thursday
morning. James Nille already has
seven feathers, and James Fiola
and Dorothy Bancroft each have
two.

Each of the children chose an
Indian name. The meeting was con-
cluded with an Indian dance.

Returns From
Naval Cruise

Robert J. Quinlan, Chief Quarter-
master, of 49 Valentine Rd., Arling-
ton, a member of Organized Di-
vision 1-9 of Boston, has returned
home after completing two weeks
annual training duty with the Na-
val Reserve at the Submarine Base,
New London, Connecticut.

Quinlan received specialized in-
struction in the operation of sub-
marine equipment at the Navy
Training School, and he also had
an opportunity to practice newly
learned skills aboard submarines
of the fleet base nearby.

As a member of the Navy's
"Ready Reserve", he takes these
yearly cruises to gain experience in
all phases of submarine operation
and maintenance applicable to his
own rating.

Members of the submarine re-
serve meet one night each week at
the Naval Reserve Training Center,
495 Summer Street, Boston. Men
between 17 and 25 may still join
submarine divisions any Wednes-
day or Thursday night at the Train-
ing Center.

ception of flying aircraft by other
airplanes, directing pilots by
ground to air radio phone, and wat-
ching their progress on radar
scopes. At the conclusion of the
student officers are assigned to po-
sitions in the continental radar net.

was played off on June 23, 24, and
25. The Qualifying Round, Low
Gross and Low Net, was a very
exciting day on the golf course, and
was won by Ed Martin and Cal
Geary of Concord. In the Low Net
C.C., Lee and W. Mason were vic-
torious. Joe Monahan, Jr. of Win-
chester and Joe Keirce of Concord
were victorious. Stan Neil and Da-

ner. The second flight was captured
by Ted Harrigan and Earl Adams,
the third by Harry Chetalo and F.
P. Dolan. Frank F. Landers and
R. M. Catlin carried off the honors
in the fourth flight while Russ
Symmes and H. A. Dyer won the
fifth. The sixth flight had as its
leaders Ed Garrity and D. J. Lucey.

Judge J. W. Monahan of Win-
chester and Dave Sullivan of
Charles River tied for Low Gross.
The Spring Cup was captured by
Joe Abely, Jr. of Winchester and
Capt. R. R. Marken of Cambridge.

The big event of the year for the
ladies is the Club Championship,
which was played off on July 12.
Betty Richard of Lexington defeat-
ed Ray Kimball of Winchester in
the finals. Trudy Salberg and Mary
Jane Buffum played against each
other for the Spring Cup, which
was also played off on the 12th of
July, with Mrs. Buffum winning
the match.

The club was the scene of Ladies'
Invitation Day on July 19 when
clubs in the surrounding town were

invited to play golf. A delicious
luncheon was served after their
busy morning.

The "Fifty Club of Boston" is
coming to the Winchester Country
Club on July 27th to play golf, and
they will also stay for luncheon and
dinner.

The social life at the club is very
limited during the summer, because
most of the members are so busy
playing golf, or they are away at
their summer homes for their va-
cations. The winter is the time for
get-togethers. However, the members had
a grand time at their clambake and
informal dance on Saturday, June
17. Two hundred members and their

DUET AND ENCORE

They might not bring down the house at Carnegie Hall. But they'll win an encore at Vacation Bible School. Theirs is the kind of singing in which spirit and enthusiasm count. When you're singing "Jesus Loves Me" a few flat notes don't matter.

Even after these happy weeks at Vacation Bible School they won't be ready for a Metropolitan audition. But their young lives will be richer in the qualities that make for happiness and moral health.

Our boys and girls deserve the opportunities which our churches offer them. They need the goodtimes and helpful training that have made Vacation Bible School an American tradition.

Encourage your youngsters to attend!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BEFORE

CAR --- DIRTY AND GRIMEY

WHAT IS A MINUTE MAN?

MINUTE-MAN is a mechanical washer that automatically washes and dries a car. MINUTE-MAN is as far in advance of so-called rapid car washing stations as today's streamlined cars surpass those of the Model "T" era.

HOW DOES IT WASH THE CAR?

MINUTE-MAN concentrates a series of continuously rotating, water sprayed brushes against the front, the top, the sides, wheels and rear of the car. The brushes are made of special soft texture material that will not mar the finish of the finest car.

HOW DOES IT DRY THE CAR?

MINUTE-MAN through a series of specially designed air ducts, delivers drying flow of clean air over the entire exterior of the car. Then, the entire car is wiped down with Turkish towels.

HOW LONG DOES IT TAKE?

MINUTE-MAN, true to its name, washes and dries a car completely, thoroughly and uniformly in a jiffy.
